

I Don't Live in Dallas
Jarrod Birmingham

<D>Well the city's so big
Nobody <G>knows where it <A>starts or where it <D>ends
And if you've got the money
You can <G>buy you a <D>whole lot of <A>friends
Cuz they'll <G>take anybody who <D>drives a nice car
Got a <G>place just for you up <D>in Highland <A>Park
If I <D>don't ever go there
<G> It'll be <A>all right with <D>me <G> <D>

--Chorus--

Cuz I don't live in <G>Dallas I live in <D>Texas
Where we ain't got no <A>hockey
And no <G>damn metro<D>plexes
I don't live in <G>Dallas I live in <D>Texas <A><G>
And if I don't ever <D>go there
<A> It'll be <G>alright with <D>me
G D A D

(solo)

<D>Now Benny Hinn comes on Sundays
Every<G>body's gonna <A>go sing <D>along
Cuz they can't start their football
'Til <G>all wide re<D>ceivers post <A>bond
You're a <G>whole buncha yuppies with <D>nothin' to do
But keep <G>MaryKay in business
You <D>all know it's <A>true
I'd like to <D>sell you to Oklahoma
<G> If they could <A>only af<D>ford you <G><D>
