

A . E . A . . . [steel "yodel"]

Yeah I <A>work all week just to make a draw
<D>Sometimes I don't ride 'em at all
But <A>I'm hooked in and I got to ride that <E>train
<A>When I get down in that chute
<D>Can't keep from thinkin' about all that loot
I'm a <E>ro-do-o de-o de-o cowboy bordering on the in<A>sane

--Chorus--

That's why I eat a <D>cheeseburger, drink a six-pack
Take a <A>Darvon to kill the pain
Pay <E>thirty-two fifty just to take a fall
<D>I live through it to talk about it all
I'm a <E>ro-de-o de-o de-o de cowboy
Bordering on the in<A>sane A . E . A . . .

Now <A>relax and take a deep breath or two
It's a <D>one-time shot and then you're thru
<A>Hang on boy and someday you'll have <E>fame
And <A>when they open up that gate
That <D>bull takes off like a runaway freight
You're a <E>ro-de-o de-o de-o de cowboy
Bordering on the in<A>sane

(chorus)

[solo: 16 bar steel, no "yodel" at end]

Yea the <A>cobwebs sure are thick, what's goin' on?
I <D>feel like all my circuits are blown.
<A>I can't remember my number or <E>name
<A>Gimme a beer or two and I'll feel fine,
<D>'Least it's worked every other time
Cuz I'm a <E>rodeo de-o de-o de cowboy
Bordering on the in<A>sane
(chorus) [only one time]

<E>I'm a ro-de-o de-o de-o de-o cowboy (x 2)
Ro-de-o-de-o-de-o cowboy. Bordering on the <A>insane
