

E A ∞

I left Oklahoma, driving in a Pontiac
just about to lose my mind.
I was going to Arizona, Maybe on to California
where people all live so fine.

My baby said I's crazy, my mama called me lazy
I was gonna show 'em all this time
'cause you know I ain't no fool
and i don't need no more damn schoolin'
I was born to just walk the line.

--Chorus--

Living on Tulsa time, living on Tulsa time.
Well you know I've been through it,
when I set my watch back to it.
Living on Tulsa time

So there I was in hollywood, wishing I was doing good
talking on the telephone line.
But they don't need me in the movies and
nobody sings my songs.
Guess I'm just wasting time.

Then I started thinking, man I'm really sinking.
And I really had a flash this time
Though I had no business leaving,
and nobody would be grieving,
if I went on back to Tulsa time.

(chorus x 2)

...gonna set my watch back to it,
cuz you know I've been thru it...
