

**[4 bar guitar riff] !G!G! D . A . D . . .**

<D>I guess it's widely known by now  
that <G>I'm a drinkin' <D>man  
I've <G>hoisted stuff in ol tin cups  
and in <E>bottles, and in <A>cans  
<D>Whatever they are serving lord,  
it <G>rarely fazes <D>me  
But that <G>number seven <D>bourbon  
it <A>still amazes <D>me

**--Chorus--**

One <G>shot'll warm <D>soul,  
loose your <Bm>tongue and ease your <G>fears  
But ain't it <D>strange the way Jack <A>Daniels  
turns to <D>tears?

<D>Now wine makes me romantic  
but <G>then I fall <D>asleep  
<G>And although the <D>dreams are fine  
the <E>memories just won't <A>keep  
<D>Gin only appeases me  
and I <G>just get lies from <D>beer  
<G>Champagne only <D>teases me  
but <A>whiskeys so sin<D>cere  
(chorus)

**[solo: 8 bar steel, 8 bar guitar]**

<D>There's somethin' in that witch's brew  
that <G>makes my heart <D>react  
<G>Sometimes I even <D>wish that that old  
<E>shrew would take me <A>back  
<D>Well I been known to slur my words  
but <G>darlin' that's <D>ok  
<G>When I've had this <D>much to drink  
I <A>don't have much to <D>say  
(chorus)

**!G!G!** It's <D>strange the way Jack <A>Daniels  
turns to <D>tears

**[4 bar guitar riff then ring, drums bring back]**  
**[solo: ?? bars back and forth, chaotic]**  
**[I'll signal 2 bar end, on beat 3 ring <A>]**
